

WHY INTERNATIONAL FINANCE GROUP?

Since we're in the transportation business, International Finance Group understands your financing needs better than any bank. We offer financial solutions to help you work around issues like seasonality and cyclical nature of your business. How can we help your business? Come in and find out.

DEBT FINANCING

DEBT FINANCING THROUGH INTERNATIONAL FINANCE GROUP.

International Finance Group offers a full range of finance options designed to help you and your business thrive.

WHAT IS DEBT FINANCING?

Debt financing refers to what we normally think of as a loan. A creditor agrees to lend money to a debtor in exchange for repayment at some future date.

WHY SHOULD I CHOOSE DEBT FINANCING THROUGH INTERNATIONAL FINANCE GROUP?

Experience. International Finance Group knows your business and tailors repayment schedules to fit your needs. International Finance Group remains the leader in transportation financing since 1949. When your company needs depreciation, debt financing is a good option for you.

INTERNATIONAL FINANCE GROUP WILL CUSTOMIZE A SOLUTION TO FIT YOUR NEEDS WITH:

- Flexible terms and structures, including skip payments to meet your vocational needs.
- Funding of related equipment and all costs of placing your vehicle in service.
- Balloon financing alternatives – to preserve monthly cash flow while still maintaining an equity position in your equipment.
- Competitive interest rates.
- Simple loan documentation.
- Used truck financing.
